WHEN

BUILDERS FEARING

manufacturers, meeting here, report the glass shortage as being extremely acute, and one manufacturer has been com-pelled to close his plant because of lack of fuel Laborers accustomed to dig glass sand at \$2 a day now want \$5. and if they do not get it they apply at the steel mills, where they get from \$5 acceptable.

Architects and contractors are advised of an immediate 10 per cent, reduction in current discounts off jobers lists, with actually no limit as to the possibility of prompt future advances. Glass manufacturers are taking

only such business as is wholly acceptable to them. There is no immediate that it would cost change in the price of plate glass controlled.

The most important operation was temporated that it would cost able to them.

HIGHER PRICES

Highing to Place Orders for Material for Next Year's

Lise.

Continued advances in the prices of ballens intertains has not so far stifled supercupits on the pose Service Daily Building Reports for building operations. Such a rosh of the brick stored available for building requirements. Another condition making for abnormally high brick, and such a rosh for brick following the day of rein that one dealer rode 141,000 brick ridden from a barge to stack or Jobs is considered a good day's movement. On Friday there was such a rush for brick following the day of rain that one dealer rode 141,000 brick with little brick stored available for building requirements. Another condition making for abnormally high brick is that transportation companies are offering as high as \$10 and \$12 a day for brick builders see freenity. On the contrary, builders see freenity on the contrary builders see freenity on the demurrage charge by rail
Building in the price of plate glass contemptation and vanced from \$25.50 to \$26.50 for No. 1

N foundry, Northern to \$28 to \$28.50.

Other grades are in proportion.

This is the time of the year when the price each other on the east and west side soft and the plan of development to content that of the Jackson Heights Apartment Corporation for two apartment of two stories, of four units each on two littles are not to see the part and west sides of Twenty-third street north of Twenty-third stre day of rain that one dealer rode 141,000 brick. Winter is rapidly approaching, with little brick stored available for building materials has not so far stifled sentemplated building operations, said the Dore Service Daily Building Reports feetile. On the contrary, builders see no innacediate abatement of the price trend, and in order to get operations under any in the spring, summer and fall of 1917 are placing orders now so as to get assured action on Jobs at the carlest possible moment. The week just closed developed many size changes. Common Hudson brick in the springs. Common Hudson brick in the spring summer brick is not being quoted for delivery in this market because it is not possible to get men enough to load the barges as Sarveville For the New Jersey distribution the critice is around \$10 a thousand, leaded on cars. Newark yard prices are specified as night as \$11.50 and \$11.75.

ton the rice is around \$10 a thousand, leaded or cars. Newark yard prices are reported as high as \$11.50 and \$11.75 a thousand.

Porlland cement in wholesale prices showed no change, but contractors were quoted by at least one company as the week closed at \$2.25 a barrel. Rosendale matural ecodent has so far made no change from the 90 cent level.

Sheet copper, hot rolled, advanced from \$32.50 to \$41 and \$42. Glass manufacturers, meeting here, report the glass shortage as being extremely acute, and one manufacturer has been comprehed to close his plant because of lack prices will be 20 cents a barrel above present quotations. present quotations
